KIDA TOWNHALL - EXPLOSION INCIDENT
...TWO DAYS HAVE PASSED SINCE THE KIDA HALL EXPLOSION INCIDENT.
POLICE ARE CARRYING OUT AN INVESTIGATION AS TO WHETHER IT WAS A TERRORIST ATTACK OR A GAS LEAK,
HOWEVER, NO CAUSE HAS BEEN ESTABLISHED SO FAR...
.. CASUALTIES ARE ESTIMATED TO NUMBER MORE THAN 20 PEOPLE,
WHILE THOSE STILL MISSING ARE ESTIMATED TO BE OVER 70 PEOPLE .
I'll come again.
Ah, thanks, Class Rep. Give my regards to everyone, OK?
My, are you leaving?
We haven't expressed our gratitude yet...
Please take care

Chapter 10

A long, excruciating rain

What a scary world.
Terrorist, they say?
THIS TIME, IT WILL BE INTENSIFIED EVEN MORE.
THE SEARCH FOR MISSING PEOPLE IS STILL ONGOING.
So your husband got involved in this?
That's right.

Everything looked normal before, then all of a sudden...!
My husband said that there were also people whose legs and hands got cut off.
Golly!
There are rumours of decapitated people, too...
Eeeh, no way!
Mr. Ebina Soichiro

Um, did anyone else come here?
No,
we seem to be unable to contact the family.
You even brought flowers
You've come again?
Miya-zumi-kun, isn't it?
Oh?

Miyazumi-kun was also there, right?
It must be hard for you... What happened exactly?
When the police arrived, it was crazy.
A lot of things occurred amidst that uproar
I was sitting right next to Ebina-san on the day of the aforemen-tioned incident.

...
I don't know.

It's just,
the wind was-
This is Miyazumi, Sensei
Ah, yes.
I'm leaving the hospital now.
Itou looks well, she can leave the hospital next week... Yes.
As for Ebina... No, he hasn't come yet.
Yes
Well then, please excuse me.

"WHERE DO YOU THINK WE'RE NOW?"
DURING TODAY'S PHONE CALL, I DIDN'T HEAR ANYONE TALKING BESIDES EBINA.
"SAKURAI?"
"JUNKA?"
BUT YESTERDAY, WHEN THE CALL WAS ABOUT TO GET DISCONNECTED...
I HEARD OOMICHI'S VOICE...
Are you with Ebina now?

He sounded quite serious.
Yeah.
Did all the fuss reach you?
I was rather far away, I couldn't hear it clearly, though.
He heard his father is hospitalized and panicked.

Wa-
It's no use, huh?
The connection was bad and the call ended abruptly, but it seems there are some conditions in order to get a connection here.
If it's Miyazumi, I also got in touch with him, yesterday

I see ...
It seems he was cut off before he could hear the details...
No idea ...
Is the illness severe?

Wait a minute!
I've never connected to anyone in these past three years!!
I also connected only once in this half a year.
I thought of reinforcing the radio wave, so I hurriedly set up an antenna. It seems to help a little.

Hospitalized, huh?
We have little time to waste, then.

Actually, I have one more piece of bad news.
Sonya, do you know "the thing" that's usually on here?
Oh, please
Don't ask me about "that thing's" wheresbouts.
You might have put it away, that's why I ask you.
Even if you say that-
Ah! There it is!

Are you unhurt, Ebina?
Sorry.
I've, um, only brought you troubles...
But of course.

Just do what you can do now.
Eh...

Alright, Ebina?
Don't worry about it.
You've just arrived in this world after all.
We have enough ingredients for a full course meal. Roll up your sleeves and get cooking, okay?

Delicious!

Ikezukuri means 'prepared alive' So yeah, the 'food' is still living while served.
Ebina-kun, you're so skilled at cooking...!
So this is the legendary Ebiten's cooking, Junisha?
Yup
COOK
Kyoko, you should try this ikezukuri.
NO, ABSO-LUTELY NOT!!
The soup is so tender...!
I'M GLAD TO BE ABLE TO USE CHOPSTICKS AND SPOONS.
Whoa! To taste Ebiten's cooking after three years!! I receive it with...
This nitsuke, while it is rich in flavour, is not hard to chew at all.
Perfect, Ebina.
This hamburger is tasty, too!
I-
I think it's thanks to the ingredients...
EBINA-KUN, TAKE A SEAT AND EAT WITH US.
?
So,
what were we talking about, again?
Make it after we finish the meal!
That's true, though...

nitsuke = fish boiled in soy sauce

Ebina, look at this.
It's about the thing that's going on at the moment.
THUNK
A piece of wood-
It's a search order for Kyoko.
Search order? Huh?
So this is Hasegawa-san?
Quite likely
But it could also be someone else wearing Kida High's uniform. She doesn't seem to be from this country.
The two important things are she looks like Kyoko, and,
the Grand Priestess' Imperial Army even went near the West Forest to search for her.

Whs?! Wait!
Such a thing!!
D-d-d- don't make me eat that!!
If it isn't enough for you, tell Ebina.
More importantly, Kyoko, finish that plate of Jimwi.
Hmm, she has your features
Junka, is that true? Really true?!
Eeh?! She looks like me?!
Yes, yes, I col- lected them, I did
Jimwi, did she mean- this?
Nss
And, um, the air troops
The Wislaha's Supreme Priestess, the country's shadow ruler
Saku- rai,
you said Grand Priestess? Imperial Army?
they aren't exactly looking for Kyoko,
but rather...
Nom Nom Nom Nom Nom Nom
C-could it be..!
It isn't men- tioned in the search order, but they said they're searching for "A young girl with a child"
So it seems,
Regarding the child, well, it's about 'that', right?

Ebina,
it's possible that they've mistaken your sister for this child
That's, um...
yeah...
I have no clue as to how we could return to our world, but,
there might be trails of Ebina An,
in the Holy Capital, Lagro Siflora...
